34 Day Prayer Guide

Volume II

Dear Friends of Missions,

Thank you so much for praying! We know that God answers prayer. Our colleges and universities need us to intercede for them, now more than ever. We need a move of God to sweep across these schools of higher education. We need to see a revival among our Christian students, staff and faculty. A revival there will spread to an awakening across the whole campus. God has done it before, He certainly can do it again.

Jesus asked us to pray for laborers: Luke 10.2 "*The harvest is plentiful, but the laborers are few; therefore, plead with the Lord of the harvest to send out laborers into His harvest*" (NASB). We at Chi Alpha are asking you to "plead" with the Lord of the harvest. We believe that God wants to send an awakening to America, and that it will start on the college campus! We need your help.

In this guide, like the last, we have tried to find all the Christian organizations on each campus. It is likely that we missed a few. For example, we only know of those churches which are reaching out to campuses if they are listed on the college's website. So, if you are reaching out to students, and you are not listed in this prayer guide, please forgive us. Let us know, and if there are future prayer guides will include you.

Pray for the leaders of these Christian groups. They are the "soldiers on the front lines". Some of them may not even know that they are in a spiritual warfare. Pray that the Holy Spirit wakes them to that fact. Some of the schools hide the student leader's names. We acknowledged that with a question marked.

You will notice that several schools have chaplains and ministry staff. We never know where they stand. Pray that God works in them and through them. Finally, we did find the names of some of the student group advisors. This is a plus. Most of the time a

Christian student group advisor is a Christian themselves. They too are soldiers on the front line. An added bonus that comes with recognizing an advisor is that they are more "stable". Normally student leaders are voted on every year, whereas the advisor, like the chaplains and ministry leaders on campus, stay in their position for years at a time.

This is now the second installment of the New York Ministry Network's Chi Alpha Collegiate Prayer Guide. There are eight scheduled. Given the quantity of schools in New York we had to scheduled eight, and because of that, the number of schools per month will vary. We did not want to end-up with the last prayer guide only having seven or ten entries.

This prayer guide was compiled with data from the list found at "The National Center for Education Statistics" ([NCES](#)) and from each school's own website. For the international student statistics, we used a website called "[College Factual](#)". The international statistics are under the "Student Life" tab.

Thank You again for investing time into this next generation. Only eternity will tell what we helped along and what we were able to hinder.

Be Blessed,
Joe and Heidi Barrale

“[On May 10, 2021,] Governor Cuomo announced that COVID-19 vaccinations will be required for all students attending in-person classes beginning this fall. With this in mind, I continue to strongly encourage every member of our CUNY *familia* to get vaccinated as soon as they are able. ... In the days ahead, we will be issuing guidance regarding exemptions to the vaccination requirement and other related matters; meanwhile, if I were a student who has not yet been vaccinated, I would not delay getting the vaccine. Covid-19 Update:

"Moving on to discuss the ratio of in-person to remote classes since March 2020, AVP Yafar explained that Nursing, Allied Health, Theatre and Music courses have continued to be offered in person, with around 500 students.

Over time, in-person courses have been increased to include some Mathematics, Continuing Education courses, as well as limited Music course sections held in Fiterman Hall, bringing the number up to 900 students taking in-person courses on the BMCC campus.

The poll question relating to this part of the presentation asked students how they would prefer to attend class; in-person, virtually or a mix of both, and the highest percentage of student votes was for a mix of both, at 51 percent.

A similar survey question asked faculty and staff—given what they had learned in that day's town hall—how they would prefer to work at BMCC."

Covid-19 Update:

“Like you, we are looking forward to receiving further guidance from CUNY on reopening plans, and we are optimistic that, given current national trends, we can look forward to a greater in-person presence on campus in the coming Fall, always keeping in mind your concerns and ensuring everyone’s health and safety. As the Fall planning evolves, we will remain flexible as the city, state, and national landscapes are changing daily in response to COVID-19 victories and challenges; therefore, I will keep you informed and part of the solution as we move forward as “One York”.

Prayer Request:

- 1) First and foremost, we are praying Luke 10.2 “*The harvest is plentiful, but the laborers are few; therefore, plead with the Lord of the harvest to send out laborers into His harvest.*” (NASB)
- 2) Pray that this summer God calls people specifically to this school, students, staff and faculty.
- 3) Pray for the student groups. Pray that their summer preparation will go smoothly and that they will be positioned, this fall, to see a harvest.
- 4) Pray for a revival among the Christian students. Pray that the revival will spread to an awakening for the whole campus.
- 5) Pray for the international students, that they will come to know the Lord. Some will return home to countries without an adequate gospel witness.
