

# Potomac Ministry Network of the AG 31 Day Prayer Guide

**Volume I**

Dear Friends of Collegiate Student Ministry,

The document you have before you is the first of a five volume set of prayer guides targeted for the Potomac Ministry Network (PMN). The purpose of these prayer guides is simple. We want to put into as many hands as possible, tools to encourage and equip people to pray for college and universities across the PMN. It is our intention to provide every Assembly of God church in the USA, district by district, the opportunity and tools to pray for college students, staff and faculty.

We are praying for a move of God to shake our campuses, the likes of which we have not seen in our generation. We are believing for an out pouring of the Holy Spirit to grip the lives of men and women, young and old. Please believe with us as we move forward.

In these prayer guides, you will find statistics for each school, starting in Maryland. We tried to provide you with enough information to make your prayers more precise, but not overwhelming. For example, each prayer guide has information on the known Christian groups on campus. When possible, we have supplied the names of the individual students who are listed as the “first contact” of each group.

Some schools do not show student leader’s names. When that was the case, we have looked for the group’s faculty advisor. That name appears and is so marked. Often, we could not find a contact person at all. When that happened, we inserted a question mark.

Many schools have chaplains or spiritual life offices. Please pray for these men and women, that they too will be sensitive to the leading of the Holy Spirit. The Holy Spirit is not bound by denominations or back grounds. He is able to reach into the seeking heart.

As you pray, please remember to pray for the students who live in student housing. You will notice that each school listed below will have a spot to show whether they have student housing or not. A lot of really crazy stuff happens in dorms, especially co-ed dorms!

There is a section on each page for recommended prayer requests. Please see this as springboard to prayer. Allow the Holy Spirit to lead you beyond what has been recommended.

We have included a section on international students. We are using the [College Factual](#) website for all pertinent data. The international student information is under the “Student Life” tab.

Finally, we wanted to let you know that this prayer guide was compiled with data from each school’s individual website, as well as the National Center for Education Statistics ([NCES](#)). We only included schools which offer at least an associate’s degree and have a student population of over 350.

Thank you in advance, for investing time into this next generation. Only eternity will tell what we helped along and what we were able to hinder with our prayers.

Be Blessed,  
Joe and Heidi Barrale

## **Mission Statement:**

“Loyola University Maryland is a Jesuit, Catholic university committed to the educational and spiritual traditions of the Society of Jesus and to the ideals of liberal education and the development of the whole person. Accordingly, the University will inspire students to learn, lead, and serve in a diverse and changing world. Loyola seeks to prepare students at both the undergraduate and graduate levels for lives of meaningful professional service and leadership. At Loyola, this means the curriculum is rigorous and faculty expectations are high. Students are challenged to understand the ethical dimensions of personal and professional life and to examine their own values, attitudes, and beliefs.”

“The mission of Ner Israel Rabbinical College is to train our students to become outstanding Talmidei Chachomim who through their knowledge, teaching and steadfast commitment to Torah and Mitzvos, will pass on our Mesorah to the next generation. We teach the skills of Talmudic Torah scholarship and encourage the centrality of Torah centered Jewish living. It is our belief that all will be more successful at their chosen course, due to this education. Whatever career path our students choose, they will serve in those roles better and be active members of their communities because of their Yeshiva educational experience.”
