**A Prayer Guide For Colleges and Universities**  
**With No Known Gospel Witness**

Dear Friends of Chi Alpha Campus Ministry,

Welcome to this special edition “Prayer Guide”. In this edition we are concentrating just on those schools of higher education which do not have a known gospel witness and are located in geographical bounds of the Penn-Del Ministry Network. As with the other prayer guides, we have focused on providing pertinent information to make our prayer time more specific.

It is our desire to see as many people as possible praying on a regular basis for the colleges and universities in our district. We are convinced, as I know you are, that God still answers prayer. Chi Alpha is believing for the next student awakening to take place in our generation. We are anticipating a mighty move of God among the young adult student population. We also understand that when that happens, not only will the academy be radically changed, but society and church life will be altered. Let’s all be ready for what God is about to do.

Jesus said *“The harvest is plentiful, but the laborers are few; therefore beseech the Lord of the harvest to send out laborers into His harvest”* Luke 10.2. Jesus’ words are the main focus of this prayer guide. We are asking each person to pray that God would send more laborers to college and university campuses. We have seen a tremendous increase since 2015 in the number of laborers in Chi Alpha. Since 2011 affiliated Chi Alpha workers have increase by more than 169%, that is an incredible amount of growth! Yet so much more needs to be done. [On a side note: Campus Crusade for Christ (renamed “Cru”) and InterVarsity have also seen an increase in campus laborers.] God is preparing for a harvest, but He wants us to pray for workers.

The hyperlinks on each page will lead you to the sources used. We relied heavily on The National Center for Education Statistics ([NCES](#)) for specifics on each school. We also consulted each school’s own website as well as the [College Factual](#) website for international student information.

The format for this prayer guide has stayed the same as previous prayer guides. We did our best to find out as much information as possible. Please note that the prayer requests list on each page are to serve as a spring board for prayer. Please allow the Holy Spirit to lead you as you pray!

Thank You again for investing time into this next generation. Only eternity will tell what we helped set in motion by our faithful prayer investment.

Be Blessed,  
Joe and Heidi Barrale
